

Medical Officer - Obstetrics & Gynaecology

LAMB

Vacancy

1

Job Context

- **LAMB** is a well-run major mission Hospital, Community Health Development, Training and Research organization. Services cover more than 6.3 million people in North West Bangladesh. The hospital has a 90 bed capacity, with fully equipped wards, labour room and operating theatres, plus a broad range of investigation facilities including digital X-ray, USG , ECHO and ECG.
- The Hospital has departments of Obs-gynae, Paediatrics, Internal medicine, Surgery, Mental Health, Nursing and a Rehabilitation Centre for Children with Disability.
- Job Summary: Work within a team caring for in-patients and out-patients according to our guidelines, general Medicine and Paediatrics as well as neonatology including LR support. Oncall coverage together with a senior backup. Being responsible for emergency care and IPD care , carrying out daily activity of the IPD work as per guidelines and protocol and reporting to senior team. Participating in the weekly teaching session and motivated for self-learning and development. At **LAMB**, doctors also have the opportunity:
 - To receive a certificate of foundation training in medicine and paediatrics after successful completion of the two years training period.
 - To participate in clinical audit projects and research
 - To teach in **LAMB** Training Centre and Nursing Institute, including HBB-courses
 - Hands on training on basic ultrasound skills.
 - As well as a pleasant working environment, **LAMB** offers a good and high standard, practical experience; working with experienced doctors including expatriates. **LAMB** is a values-based non-profit organization and focuses on giving affordable services to the poor. There are weekly joint medical education meetings and departmental teachings.
 - **LAMB** accommodation within **LAMB** campus is usually available for doctors with affordable rent. Housing has security, 24 hours electricity and safe water supply. There is an on-site English-medium school for staff children.
