

Medical Officer - Obstetrics & Gynaecology

LAMB

Vacancy

1

Job Context

- **LAMB** is a well-run major mission Hospital, Community Health Development, Training and Research organization. Services cover more than 6.3 million people in North West Bangladesh. The hospital is of 150 bed capacity, with fully equipped wards, labour room and operating theatres, plus a broad range of investigation facilities including X-ray, USG and ECG.
- The Hospital has departments of Obs-gynae, Paediatrics, Internal medicine, Surgery, Nursing and a Rehabilitation Centre for Children with Disability.
- Job Summary: Work within a team caring for in-patients and out-patients, including on-call cover. While working at **LAMB**, MO`s also have the opportunity:
- To learn to practice evidence-based medicine with effective supportive supervision by senior doctor and comprehensive guidelines.
- To participate in clinical audit projects
- To teach in **LAMB** Training Centre and Nursing Institute.

Job Responsibilities

- To maintain a high standard of medical care
- To attend all meetings of the medical staff and of any committee to which he/she is appointed;
- To give leadership in professional behavior and integrity, and to promote unity and peace among all project staff;
- To keep abreast of medical developments and to seek constantly to broaden his/her professional skill and knowledge;
- To encourage and train medical, paramedical, and other health related personnel (specific assignments will be given by the Medical Director);
- To ensure regular ward rounds, coverage for in patient wards, outpatient care, emergencies, night duty, mobile and other special clinics as assigned;

- All Doctors are expected to work in general areas as well as their area of specialty.
- To assist the Medical Director in planning and developing appropriate ancillary facilities (e.g. X ray, laboratory, pharmacy) and new health care programs in conjunction with appropriate staff to improve medical care;
- To carry out in consultation with other staff the most economic but superior form of medical care appropriate to the area and facilities (including human resources);
- To consider himself/herself available for emergency duty at anytime, day or night, unless on authorized leave;
- Such other duties as called on to do by the Medical Director;
- To abide by the terms of the employment policy in effect at the time of appointment and revisions that may be made subsequently.
